

OUR UNITED VOICES NEED TO BE HEARD At FANEUIL HALL, BOSTON, MA Noon, Saturday Dec. 16th

In the spirit of the Courageous American Patriots who, on December 16, 1773 said "No!" to the lack of representation and tyranny to which the colonies were subjected By Great Britain by tossing crates of British tea into Boston Harbor, the Boston 9/11 Truth Committee will enact the "9/11 Truth Boston Tea Party" on **December 16, 2006**, calling upon "All American Sons and Daughters of Liberty to reunite at the birthplace and the birth time of the American Revolution to cast off the tyrannies imposed on the American public and the world justified by the lies and deceit of the official 9/11 Commission Report." In solidarity with the defiance and historic resonance of the 1773 activists, we will be posting 9/11 Truth Proclamations throughout Boston prior to the Tea Party.

Make History! Come to Boston! COME HEAR!

"The Connected-Dots Heard Round the World!" Join 9/11 Truth Patriots from New England as we gather at historic Faneuil Hall to deliver the 9/11 Truth Boston Tea Party Proclamation, to raise the Bill of Rights Flag, to demand an immediate and genuinely independent re-investigation; and to announce the reestablishment in Boston and across the Nation of Elected Citizens Grand Juries by which the pre-Revolutionary War colonists legally threw off the yoke of tyranny. Following the Proclamation, we will proceed to the original Tea Party site. There, national leaders of the 9/11 Truth Movement will declare its proved-false conclusions 'null and void' and cast a larger-than-life-size replica of the 9/11 Commission Report into Boston Harbor.
